Unacceptable tenants	Applicant's children, grandchildren, parents, grandparents, sibling(s), husband, wife, civil partner or any other person with whom you have a relationship that is similar to a husband, wife or civil partner. Companies lets are not acceptable. Please refer any other non standard tenant profiles
----------------------	--

Repayment method

Capital and interest	Available across the range
Interest only	Acceptable on the Afin Bank Premier High Net worth (HNW) range and on the Buy to Let and Consumer Buy to Let products
Interest only repayment vehicles	Residential - any plausible and verifiable strategy considered, except sale upon death, inheritance and general savings

Overpayments

Residential	Prime products (all 2 year and 5 year products) - clients may pay 10% per calendar year off the capital balance penalty free
	Professional / Premier products (all 2 year and 5 year products) - clients may pay 10% per calendar year off the capital balance penalty free
	Payments above the penalty free percentage will attract the percentage ERC as illustrated on the product cards
	When a customer overpays, by default, the mortgage term is reduced automatically. If the customer wishes for their monthly instalments to reduce they will need to inform us of this requirement
	All Afin bank tracker products allow for unlimited penalty free overpayments
Buy to let	All 2 year and 5 year products - clients may pay 10% per calendar year off the capital balance penalty free, payments above the penalty free percentage will attract the percentage ERC as illustrated on the product cards
	When a customer overpays, by default, the mortgage term is reduced automatically. If the customer wishes for their monthly instalments to reduce they will need to inform us of this requirement

Minimum income

Residential	Prime - No minimum income
	Young Professional (ages 21- 35) - up to 80% LTV - £35k minimum for main applicant. No minimum income for second applicant
	Young Professional (ages 21- 35) - above 80% LTV - £50k minimum for main applicant, Joint applications are subject to £75k minimum overall income
	Older Professional (36 years+) - Minimum income for main applicant £70k. No minimum income for the second applicant
	Premier - £300k NET minimum per annum or £3m in NET assets
Buy to let	No minimum background income

Self employed applicants

Types	We will lend to sole traders, partners, and limited company directors
Shareholding	Individuals with a 20% shareholding or more will be classed as self-employed
Time self-employed	Clients should have completed their first financial year and be at least 6 months into their second year. We can accept forecasted income for year two providing they have a qualified accountant. We will normally use 90% of the forecasted income for affordability
Reducing self-employed income	Considered on a case by case basis typically accepted with a 10% annual reduction
Forecasted income	We will consider using up to 90% - 100% of the forecasted income for the current trading year via the accountants certificate, providing they are at least 6 months into the trading year and have been trading at least 18 months
Proof of income	Either accountants certificate prepared by a qualified accountant (see the accountants certificate for qualifications) or Company accounts. We also require the latest years' SA302s / tax calculations with the corresponding tax year overview
Net retained profit	<p>Can be considered where there is a 2 year track record at a similar level and the accountant confirm the client could have withdrawn the profit as personal income should they have wished to.</p> <p>Cannot be considered where the business has recorded a net loss during the current or previous trading year or where the nature of the business requires the profits to be retained to enable on-going trading</p>
Income from Directors loans	Can be considered
Non-standard professions	On rare occasions some occupations may be deemed as unacceptable if they present a reputational risk to the bank
Accountants qualifications (when using accountants cert)	ACCA, ACA, CIMA, CIPFA, AAPA, CPAA, CA, CTA

Contract workers	
Experience	We require a two year track record of employment or self-employment within the same sector. This can be evidenced via previous contracts, their last P60s or SA302s and tax year overviews
Contract length	The current contract must be a minimum of one year with at least six months still to run at time of application. If less than three months left to run prior to the drawdown, then evidence of a new contract is required.
Professionals	Fixed term contracts within professional occupations such as Doctors, Teachers, Pharmacists, Dentists, fully qualified Accountants and Solicitors, will be regarded as in permanent employment. Applicants from contract workers in other fields will be considered on their individual merits
Gaps	There can be no more than a six-week break in between contracts
Time remaining	If less than three months left to run prior to the drawdown, then evidence of a new contract or renewal is required
Day rate contractors	Contracts quoting a daily or weekly rate should be based on an assumed 5 day/46 week model for annual income
CIS workers	CIS workers must have a two-year track record. This can be evidenced via accountants certificate or tax calculation/SA302s with corresponding tax year overviews. Income will be used from the latest years figures
Agency workers	Can only be considered where a two-year track record in the same line of work can be established
Zero hour / seasonal / temporary contracts	Not accepted
Umbrella companies	<p>Where employees are working via umbrella company on PAYE affordability is typically assessed based on:</p> <ul style="list-style-type: none"> • Payslips and P60 from the umbrella company • Tax calculation /tax year overview (SA302s) if these are also submitted <p>If the individual is the sole owner or director of a limited company—you should also provide:</p> <ul style="list-style-type: none"> • Company accounts or an accountant's certificate confirming overall income

Other income sources

Private pension	We will use 100% of private pensions validated by either latest annual statement of pension, latest payslip from the pension provider, latest letter from pension provider or latest P60 from the pension provider
State pension	We will use 100% for sole applicants. For joint applications, if the proof shows State Pension is awarded jointly, we will take 50% of pension against each applicant. Validated by the latest Annual statement of pension
Other acceptable pensions	War Disablement Pension and War Widow/er Pension
Child benefit	Not accepted
Tax credits	Not accepted
Other benefits / universal credit	Not accepted
Limited company income	We can also consider lending to someone who has income from a company which the applicant owns and that will continue to provide an income into retirement.
Maintenance payments	Can be considered upon referral and be supported with a formal agreement
Employment expenses	We will use 100% of regular allowances e.g. car allowance/large town allowance, but not variable expenses, such as mileage
Lodger income	Not acceptable
Investment income	Can be considered upon referral
Rental Income	Acceptable with proof via accountants certificate / tax returns

Lending into retirement (LIR)

Retirement age	The maximum declared retirement age is 70. The mortgage term must not extend beyond the 75th birthday of the eldest applicant. Where the mortgage term extends into retirement, the below criteria will apply
Retirement planned within the next 10 years	We require details of both current income and expected retirement income, we will calculate affordability based on either use the lower of the current income or expected retirement income or assess the amount remaining at retirement age and anticipated repayment against the pension details
Retirement planned over 10 years in the future	We will use current income used for affordability purposes and require evidence of the existence of future pension provision (other than state pension). E.g. a payslip showing a pension deduction, pension statement or pension payment on a bank statement.

LIA Requirements

Occasionally we may require the clients to seek independent legal advice. We will advise this requirement as early as possible into the process. Examples include ; Non-English speaking applicants, non benefitting parties and sole applications for married applicants

Professional qualifications

See our guide on [Afinbank.com](https://www.afinbank.com) which details acceptable professional qualifications

Consumer Buy to Let definition

See our guide on [Afinbank.com](https://www.afinbank.com)

Unacceptable property types:

- Properties designated as defective under the Housing Defects Act 1984 and Housing Act 1985.
- Commercial properties.
- Coach Houses
- Properties subject to critical renovation / refurbishment.
- Properties suspected to be in a poor condition by the valuer.
- Properties deemed unacceptable security, min. residual age less than 25 years by the valuer.
